

Markus Felten

Name : Markus Felten
Birthdate : 1966
Phone : +49 6173 323737
Mobile : +49 160 94626864
github : arlac77

telegram : arlac77
Address : Ulmenweg 36
65760 Eschborn

focus

- build / test / deploy / CI
- Node.js / rollup / svelte / express / vite
- XML, Schema - XSD / Relax NG, XSLT@2.0, XPath@3.0
- format converters, configuration management, test automation
- J2SE / J2EE / OSGI
- AIX 4.3-6.1 / Solaris 2.4-11 / Linux 1.0-6.14 / OSX 10.1-14.2
- EDI, PAYEXT, PAYMUL, IDOC, PEXR2002, SWIFT, MT100, MT101, MT103, MT198, DTAUS, DTAZV, BTL91, CLIEOP03

job overview

No.	from	to	customer	Project
7	2023/07	2025/12	IT Systems Engineering Meißner GmbH	Development asset tracker
6	2021/02	2023/07	Deutsche Bank AG	Build and configuration management
5	2021/08	2022/04	iTPlusPlus GmbH	Development timesheet entry frontend
4	2014/01	2019/06	Markus Felten	Build and configuration management
3	2015/10	2016/12	Deutsche Bank AG	Build and configuration management
2	2011/06	2014/12	Deutsche Bank AG	Build and configuration management

No.	from	to	customer	Project
1	2011/11	2012/7	Advanced Charging Solutions SA	Design and development of an ios client & the corresponding api server

Position 7
 from 2023/07
 to 2025/12
 customer IT Systems Engineering Meißner GmbH

Design and Development of a tool to visualize and analyse assets an their movements between different exchanges, brokers and banks.

Design and Development of a tool to visualize and analyse assets an their movements between different exchanges, brokers and banks.
